CHARLES CHURCH

YOUR NEW HOME,
STYLED BY YOU,
READY TO
MOVE INTO.

‘SELECT’

At Charles Church we understand everyone has their own sense of style and wants to create a home that is unique to them, that is why the Charles Church Select range was created.

Giving your home that extra special touch, makes new home buying even better than ever, and means that when you move in, all of your unique choices will have been taken care of for you. Then all you have to do is sit back and enjoy the comforts of your new home from day one.

You can reflect your own personal style by choosing Select such as carpets, kitchen and bathroom upgrades, wardrobes and stylish fires and surrounds.

To make life even easier for the new homebuyer Charles Church have created Charles Church co-ordinates, a selection of complementary products to enhance your home offered together at a reduced price to help you create the perfect environment.

What's more our experienced Sales Executives in Charles Church, will be on hand to help and guide you on how best to turn your vision into a reality.

Select will complement the high quality finish of your new Charles Church home, and our range of stylish options will help to inspire you to create your perfect look for your new home, ready for you, from the moment you make it your own.

With Select creating your new home in your own individual style is now a reality and the choices on offer an inspiration.

Electric Wall Mounted Fires

A235 The Shaftesbury Black LED 1.8KW Electric Fire is a 100% efficient wall mounted electric fire, with low energy glowing log effect, five ambient flame picture settings, timer, LED display and remote control. A popular feature of the Shaftesbury is the positioning of the fan heater at the bottom of the fire, which directs heat downwards, enabling a TV to be positioned directly above the fire.

£405

A236 The Shaftesbury LED 1.8KW Electric Fire in a mirrored finish is a 100% efficient wall mounted electric fire, with low energy glowing log effect, five ambient flame levels, timer, LED display and remote control. A popular feature of the Shaftesbury is the positioning of the fan heater at the bottom of the fire, which directs heat downwards, enabling a TV to be positioned directly above the fire.

£455

A237 The Pasadena is a stylish curved LED 1.5KW fire in black featuring three different fuel beds and three backlighting effects and full remote control that can be wall mounted or freestanding. A popular feature of the Pasadena is the positioning of the fan heater at the bottom of the fire, which directs heat downwards, enabling a TV to be positioned directly above the fire.

Electric Fire Suites

A246 The Verona Electric Fireplace Suite
in a Sandstone finish, with matching hearth and High Gloss Black Acrylic Inglenook chamber opening. It features a stunning, realistic, clean smoke patented Opti-myst 3D remote controlled flame effect, 1KW and 2KW heat settings and thermostatic control. Suitable for flat wall fixing and for properties without chimneys. Clean, simple lines perfect for modern living areas. Designed and manufactured in the UK.
Dimensions (mm)
1010(H) x 1160(W) (shelf) (1260W hearth) x 408(D)
£1050

A247 The Verona Electric Fireplace Suite
in White finish, (as above)
Dimensions (mm)
1010(H) x 1160(W) (shelf) (1260W hearth) x 408(D)
£1095

A248 The Siena Electric Fireplace Suite
in a Sandstone finish, with matching hearth and High Gloss Charcoal Acrylic Inglenook chamber opening. It features a stunning, realistic, clean smoke patented Opti-myst 3D remote controlled flame effect, 1KW and 2KW heat settings and thermostatic control. Suitable for flat wall fixing and for properties without chimneys. The arched detail and contrasting materials make this an interesting focal point for any living area. Designed and manufactured in the UK.
Dimensions (mm)
970(H) x 1156(W) (hearth and shelf) x 415(D)
£1050

A249 The Napoli Electric Fireplace Suite
in a Terrano Grey finish, with matching hearth and realistic grey slate effect chamber opening. It features a stunning, realistic, clean smoke patented Opti-myst 3D remote controlled flame effect, 1KW and 2KW heat settings and thermostatic control. Suitable for flat wall fixing and for properties without chimneys. Modern design ideal for contemporary living areas. Manufactured in the UK.
Dimensions (mm)
979(H) x 1210(W) (hearth and shelf) x 400(D)
£1150

A250 The Vittoria Electric Fireplace Suite
in a Sandstone finish, with matching hearth and realistic 3D red brick effect chamber opening. It features a stunning, realistic, clean smoke patented Opti-myst 3D remote controlled flame effect, 1KW and 2KW heat settings and thermostatic control. Suitable for flat wall fixing and for properties without chimneys. Simple lines and subtle detailing – a modern day classic. Designed and manufactured in the UK.
Dimensions (mm)
999(H) x 1178(W) (shelf) (1172W hearth) x 410(D)
£1150

A238 The Aurora Fire Suite
Sitting proudly in any interior setting, the Aurora with its broad shelf and lifted hearth provides a modern twist. The realistic flame effect with glowing log bed is raised into the room. The under shelf area provides subtle lighting where you can choose to display a variety of your interior essentials or add to the realism of the fire with a selection of logs. 1KW and 2KW heat settings and thermostatic control. Suitable for flat wall fixing and for properties without chimneys. Modern design ideal for contemporary living areas. Manufactured in the UK.
Dimensions (mm)
888(H) x 1104(W) x 300(D)
£875

A239 The Lares Fire Suite
Designed to fit directly against any flat wall without the need for a flue or a chimney, the Lares is perfectly suited to modern and contemporary interiors. The realistic fire with its bright dancing flames and realistic log bed is encased with graphite effect sides and hearth and a Flat Grey outer surround completes the fireplace. 1KW and 2KW heat settings and thermostatic control. Suitable for flat wall fixing and for properties without chimneys. Modern design ideal for contemporary living areas. Manufactured in the UK.
Dimensions (mm)
827(H) x 1246(W) x 400(D)
£975

A240 The Mercury Fire Suite
The Mercury is a distinctively attractive fireplace that brings together a contemporary White finish with a traditional Walnut cross-section. Its realistic flame effect and glowing logs sit proudly above a raised black bed. Ideal for installing quickly and conveniently against any flat wall without the need for a flue or chimney, providing an all-in-one stylish heating solution. 1KW and 2KW heat settings and thermostatic control. Modern design ideal for contemporary living areas. Manufactured in the UK.
Dimensions (mm)
970(H) x 1060(W) x 300(D)
£975

Charles Church Select options Carpets

Modern life makes greater demands on the carpets in your home. Today's busy lifestyles need a carpet that not only looks good – but performs under the most arduous conditions; Charles Church introduce the Regency Carefree stain resistant carpet range which is manufactured with this in mind.

Our fantastic ranges include:

- Deep pile Saxony carpets
- Practical Twist pile carpets
- Elegant & stylish ranges
- Contemporary colour palettes
- Stain resistance
- 100% bleach cleanable

Advanced Technology

Made using specially developed high-quality polypropylene fibres – this range of carpets feel soft and luxurious and are completely practical. Their stain resistant properties mean that spills or stains literally 'sit' on the surface waiting for you to clean or simply blot away using household kitchen roll.

You can even use household bleach for those really stubborn stains, without marking your carpet, so you can enjoy your new home in the confidence that your beautiful new carpet can take all of life's strains without any of the stains.

Our selection of carpets comes complete with gripper rods to the perimeter of the rooms and up the stairs, a heavy domestic underlay throughout and the flooring in the doorways is joined using either brass coloured or silver coloured aluminium door threshes.

Tufstep Entrance Matting

Fitted to the front door of your home Heavy Ribbed.

your bathroom

- Electric Showers
- Heated Mirrors

mira
Azora

C121 / C122

Heated Mirror

C134 Mira EB1158-NF
The KOHLER mirror has an anti-mist function that prevents steam build up within the bathroom, as well as an integrated light and digital clock.
£495

Vanity Unit

C133 Ideal Tempo E3259 vanity pedestal unit*. £260
**This option is not available in downstairs cloakroom*

Add An Electric Shower

C120 Add Mira Vie electric shower in white over bath.
Including full height tiling above bath and fitting shower screen. £1075

Mira Azora Electric Shower

- Upgrade your main bathroom or en-suite to have an electric shower.
- Mira Clearscale™ technology which cuts limescale by half for a better performing, longer lasting shower.
- Thermostatic temperature stability keeps showering safe for all the family.
- Separate temperature and flow controls to fine tune your perfect shower.
- With a frosted glass fascia.

mira
Agile

C123

Add or Upgrade Thermostatic Showers

Mira Agile Thermostatic Shower

- Create a spa like experience.
- Rub clean nozzles for easy limescale removal.
- Unbeatable shower - 200mm deluge head.
- Divert between the two showerheads or shower with both heads on at once.
- Thermostatic temperature stability keeps showering safe for all the family.

C123	Upgrade existing thermostatic shower to Mira Agile ERD mixer shower in chrome finish.	£290
C124	Add standard Mira thermostatic shower. Including full height tiling above bath and fitting shower screen.	£1225
C140	Add Mira Agile ERD mixer shower (as above). Including full height tiling above bath and fitting shower screen.	£1510

NOTE: It is recommended that only one thermostatic shower be fitted where the home is heated by a combi-boiler. In certain housetypes, where no en-suite is included it is possible to add a thermostatic shower over the bath. Second showers should be electric.

- Digital Showers
- Thermostatic Showers

Add or Upgrade Digital Showers

Mira Platinum Digital Shower

- Digital showers, like mixers, take water from hot and cold water supplies and then mix them.
- Creates your ideal temperature.
- Controls take up very little space.
- Creates a streamlined and sophisticated look.
- **Warm up feature:**
No need to step in until the temperature is just right thanks to the warm up feature.
- **Pre programmable:**
Set your maximum temperature limit and duration of your shower or bath fill at the touch of a button.

mira
Platinum

- **Unique Mira 360 shower head**
